

**MITSUBISHI
MOTORS**

ASX

IT'S YOUR INVITATION TO TOMORROW.

YOU'RE INVITED WHETHER IT'S WORK OR WEEKEND.

THE DRESS CODE IS SMART CASUAL, THAT PERFECT
PAIRING OF FUNCTION, BEAUTY AND QUALITY.

IT'S THE PERFECT PIECE THAT SAYS CHIC,
CONFIDENT AND RELAXED.

IT'S THE EFFORTLESS STYLE OF ASX AND TODAY
YOU'RE INVITED.

HOPE YOU CAN MAKE IT.

RSVP.

Make an entrance

THE ASX RANGE HAS THE FULL PACKAGE.
ACCESSORISED WITH TOUCHES OF BLACK, THIS ASX
VRX BLACK EDITION HAS A SHARP LOOK ALL ITS OWN.

» CITY LIFE

ASX is perfect for city living. Designed as a small SUV, it affords excellent visibility making parking a breeze. With an overall length of 4.3 metres and a turning circle of just 10.6 metres, **ASX** is your new retail therapy wingman.

» VITAL STATISTICS

Each **ASX** is equipped with Mitsubishi's fuel-efficient 2 litre MIVEC petrol engine delivering an economical 8.5 litres per 100 kilometres.

» SAFETY IN NUMBERS

Keeping you and your 4 passengers safe is an **ASX** priority. 7 airbags, 4-wheel anti-lock brakes, reversing camera and other intuitive driver aids add up to a secure and safe car.

» BAGS OF ROOM

Open the rear hatch and you'll find 393 litres of boot space easily accommodating a day's shopping. For those times when you need to carry larger or odd-shaped things, the rear seats fold with a 60/40 split offering a huge 1,143 litres of load space.

» MODEL SHOWN ASX VRX Black Edition in Titanium

***A journey as good as
the destination***

WITH ASX, THERE'S NO SUCH THING AS A TO B. TIME
SPENT BEHIND THE WHEEL REWARDS YOU WITH A DRIVING
EXPERIENCE THAT'S ENJOYABLE AND SAFE.

» MODEL SHOWN ASX VRX Black Edition

» MODEL SHOWN ASX VRX Black Edition in Titanium

Already a beautifully designed car, the popular ASX has received the Black Edition treatment, creating a sophisticated new look. The **ASX Black Edition** and the top of the range **VRX Black Edition** get design-led black detailing that gives **ASX** a stylish edge.

Step inside and you'll find a luxurious and airy cabin. Above you, the black headliner frames the full glass panoramic sunroof*, while the black-leather-appointed seats* set the tone to A-list.

* Available in VRX Black Edition.

Outside the detailing continues with a black grille and roof rails and sporty black 18 inch alloy wheels**.

And paying as much attention to detail as you do, the black exterior wing mirrors and decorative black and chrome fender garnish** finish off a look that says effortless elegance has arrived.

** Available in Black Edition and VRX Black Edition.

» MODEL SHOWN ASX VRX Black Edition in Titanium

» MODEL SHOWN ASX VRX Black Edition in Titanium

From the light and airy driver's position you'll find all the controls within easy reach and a dash layout created to feel both aesthetically pleasing and safe.

The ergonomically designed steering wheel can tilt and telescopically adjust, offering you the perfect driving position.

Enrobed in soft-touch leather with piano black detailing, the steering wheel features integrated cruise, audio and phone controls.

From the outside the black detailed dynamic shield grille discreetly announces your arrival. Set into the grille sit LED daytime running lights, headlamps and LED fog lamps. The direction indicator lights are integrated into the power-fold rear-vision door mirrors*.

** Available in Black Edition and VRX Black Edition.

A sporty addition to your active lifestyle, **ASX** offers the practicality of a 4-door hatchback with the luxury of the winner's circle.

Inside you'll find plenty of room for your friends and their gear to ride in comfort. The sound system with steering wheel control links through to an 8 inch touchscreen to deliver concert level sound quality.

Unity and quality

ARRIVE CALM AND CENTRED WHEN YOU
ARRIVE IN ASX.

The philosophy of wellbeing is fundamental to the design concept of **ASX**. Tranquil and quiet on the inside, strong and resilient on the outside.

* Available in Black Edition and VRX Black Edition.

» MODEL SHOWN ASX VRX Black Edition in Titanium

Within its steel curves, a rigid safety shell stands guard with the strength to protect you and your passengers should the need ever arise. 7 airbags and a suite of electronic safety and driver aids remain constantly vigilant.

On the inside it's serene and calming. With heated front seats and air conditioning, you're the

master of your environment, adjusting it to just the way you like it. You'll find your driver's seat is power-operated* and your interior mirror has an auto-dimming function too.

ASX brings unity and quality together for a driver experience that transcends the normal.

Namaste.

Coffee and cars

SOME THINGS ARE JUST MEANT TO GO TOGETHER.

Whether it's the early morning ritual or the way we get there, coffee is as important to us as cars.

Whatever way you like it, **ASX** is your morning coffee enabler.

With 4 cupholders set into the luxurious interior, you can choose to have in or take out. Parking at the café is a breeze when you're assisted by driver aids like audible rear parking sensors* and a reversing camera displayed on the 8 inch touch screen.

* Available in Black Edition and VRX Black Edition.

» MODEL SHOWN ASX VRX Black Edition in Titanium

Should you wish to take away, settle in for some 'you' time as you glide away from the curb. What also goes well with coffee is your own choice of music, and that's all available with a flick of your finger through the SDA system for Apple CarPlay or Android Auto. The touch screen also brings your favourite radio station into your private café on wheels.

So whether your preference is for a flat white, a soy macchiato or an oat latte, **ASX** will deliver you in style for your morning ritual.

You may be interested to know that **ASX** comes in different flavours too: **LS**, **Black Edition** or the double-shot full-strength **VRX Black Edition**. Talk to your Mitsubishi dealer today and tell them how you'd like your **ASX**.

Safety, check

YOU CAN'T PHYSICALLY SEE MANY OF THE SAFETY FEATURES ENGINEERED INTO ASX, BUT YOU'LL FIND IT COMFORTING TO KNOW THEY'RE THERE.

Firstly, let's talk about the ASX's own security. Every **ASX** comes with its own security guard in the form of an integrated immobiliser and alarm. Check and padlocked.

The minute you open the door with your keyless entry button, a vast protection system is set on standby. And the second you push the dash-mounted start button*, that system jumps to attention. It's collective mission: to protect you and your passengers and other people near it.

Let's get a really important box checked right now. Airbags. Yes there are 7 of them. Driver airbag, driver's knee airbag, passenger airbag, side airbags and curtain airbags. Check.

Integral to this protection system is the rigid steel shell frame that absorbs impact and draws energy away from the occupants in the event of collision. Check.

Then you've got everything going on behind you. Forget that you don't have eyes in the back of your head, because now you do. The **ASX** reversing camera linked to Rear Cross Traffic Alert* warns you of traffic or pedestrians crossing behind you and audibly and visually displays them on the dash screen in front of you. Check.

» MODEL SHOWN ASX VRX Black Edition in Titanium

As you drive out onto the road, more **ASX** safety systems are activated. ATC (Active Traction Control) and ASC (Active Stability Control) monitor your car's contact with the road surface and ensure you're keeping the safest course. Check.

ABS (Active Braking System) with Electronic Brake Force Distribution is ready to stop the car quickly and safely in the event of a sudden stop being required. Forward Collision Mitigation* constantly monitors vehicles and pedestrians in front of you and keeps you at a safe distance from them. Check.

Lane Departure Warning* gently guides you back into your lane, and Blind Spot Warning* will alert you when there's a car next to you in the adjacent lane. Check.

A full list of **ASX** safety features can be found in the specifications pages in the back of this brochure. It's easy to check.

* Available in Black Edition and VRX Black Edition.

ASX model line up
